If you are interested in joining the Rhineland Area Scholarship Foundation's board or would like to assist with events sponsored by RASF, please contact us.

RASF is always looking for people to help us continue our mission to provide scholarships for Rhineland youth!

RASF

ESTABLISHED: 1991

WHO IS RASF?

The Rhinelander Area Scholarship Foundation has been helping students achieve their post-secondary educational goals for over 30 years. RASF's mission is to raise money for and contribute scholarships to Rhinelander students, many of whom may not receive scholarship support from other sources. The Rhinelander Area Scholarship Foundation is a 501c3 charitable, non-profit organization that was established in 1991.

RASF works closely with the school district to arrange scholarships and manage the local scholarship application process. The board also collaborates with RHS staff and administration to arrange the annual scholarship awards ceremony each May.

We make the process for establishing a business, family, class, memorial, trade or organization scholarship easy for you.

If you are interested, contact the RHS Student Services Office at (715) 365-9500 ext. 8517.

Since 1991, the Rhinelander Area Scholarship Foundation alone has awarded \$367,350 to 465 students.

TESTIMONIALS

"We support RASF because RASF helps improve our community by easing the financial burden of obtaining a higher education. More importantly, it is our hope that the recipients of RASF scholarships will become leaders in the Rhinelander community and will strive to make it the best that it can be."

– Business Donor

"Dad felt education was important and would want to help someone pursue their dream of furthering their education. We want Dad's legacy to live on by helping others."

– Memorial Scholarship Donor

"For me, receiving scholarships from RASF meant a great deal. It made me feel like the Rhinelander community truly cared about young adults like myself and our futures. Receiving scholarships truly validated for me all the hard work I put in during my high school career, and it helped to make me even more excited about the future."
